Note 1: Dependent children are individuals who are 18 years of age or younger and who, if of school age, are also attending school on a full time basis. Children who are 22 years of age or younger and full time students at an accredited college, university, or trade school may also be considered to be a dependent child when living with a parent. All children must be listed on application.

All other individuals are considered an adult and must complete and sign an application and the lease.
